750 g

EQUITOP GONEX® is a nutritional supplement which helps to maintain healthy joints in horses. EQUITOP GONEX® contains extract from dried shellfish (*Perna canaliculus*/green lipped mussel) which are rich in glucosamineglycanes (GAGs), polyunsaturated fatty acids and a special glycogen complex. This premium product provides important nutrients to the joints and their surrounding structures and ensures that these nutrients are channeled to the areas where they are needed.

FOR ANIMAL USE ONLY. Not for human consumption.

Feeding recommendation:

EQUITOP GONEX® can be given together with feed or alone.

Horses: 1 spoon daily.

Ponies and foals: 1/2 spoon daily.

One spoon contains approximately 25 grams.

Feed for a minimum of 30 days.

Storage instructions: Keep the container tightly closed. Store below 25 °C and protect from moisture and sunlight. Keep out of reach of children.
